

I Love My Library !

What is the I Love My Library Campaign?

In an effort to recover from the 21% cut in state aid to public libraries, many libraries have been forced to close permanently, reduce hours and services. Scottsdale Public Library has chosen to be pro-active. We will be endeavoring to raise money locally to cover the losses while maintaining our normal hours and services.

The Johnson Challenge!

Glenn and Carole Johnson have issued a challenge!

For every dollar donated to the Love My Library Campaign, they will donate \$.50 up to \$2,500.00! That means we have a GOAL. We must raise \$5,000.00 by their daughter Beth's birthday (the challenge and gift are in Beth Ann's memory) which is March 24th. Please help us to meet the challenge. Remember every penny counts!
